

Sponsorships Keep the Majesty of Live Theatre Alive!

By sponsoring a play, you fill an important role in our production. You are our partner in bringing *the majesty of live theatre to life*. We count on the generosity of sponsors, donors, and in-kind services to help keep theatre arts alive in Navasota.

There are many types of costs associated with putting on a play: royalties, music and sound effect costs, stage construction, costumes, props, set pieces/furniture, facility and utility expenses, and director stipends.
